MAIN JOB PURPOSE

To instruct learners on a defined range of units/modules/practical activities to meet curriculum requirements, in line with College Quality Assurance procedures.

KEY DUTIES AND RESPONSIBILITIES

KEY DUTIES AND RESPONSIBILITIES

This job description is a comprehensive guide to the duties you will be expected to perform immediately on your appointment. These may change in the future in line with the strategic direction and development of the College:

- In accordance with relevant schemes of work, instruct students in line with ILPs and curriculum plans, which have been designed with / and for them, in conjunction with designated course tutor/s;
- To supervise student learning activities in a Learning Resource Centre, classroom, workshop, during field work, visits, placements or in any other designated learning situation;
- To carry out as directed relevant administrative tasks appropriate to the learning situation including the marking of registers and the submission of other returns and records, in line with Quality Assurance procedures;
- To support and provide educational guidance to students through the learning process and associated assessment activities;
- To assess, monitor and mark student practical activities within the learning sessions;
- To assist students with action planning and recording achievement where appropriate within the learning sessions;
- To organise, adapt, and maintain learning materials and/or equipment;
- To utilise learning resources effectively in order to enhance the student experience;
- To set up the learning environment if required, and assist in the day to day maintenance of equipment, in conjunction with technician staff;
- To attend Curriculum area, College and other appropriate meetings as required;
- To support the designated course tutor/s with the on-going development of learning plans;
- To establish and maintain effective working relationships with relevant staff and external clients and agencies;
- To meet high standards of health and safety and undertake health & safety checks and appropriate Risk Assessments as required;
- To be responsible for updating the subject specialism;
- You will be expected to be fully conversant with and implement the College's range of equality and diversity and safe guarding policies and procedures, to ensure the health, safety and welfare of all learners and staff;

- To ensure that interaction with learners is inclusive, fosters good relations between different groups of people, pays attention to specific needs identified through assessment, and being mindful of cultural or gender differences;
- To work closely with parents, guardians and outside support agencies in agreeing strategies that overcome barriers to participation or learning progression;
- To participate in the staff appraisal scheme and lesson observation process and undertake continuing professional development to develop knowledge/skills in teaching practice;
- Any other duties commensurate with grade and status as may reasonably be requested.

PERSON SPECIFICATION
